## United Way Focuses on Issues That Matter to You

The United Way knows that you want to make a difference right here in the Eastern Panhandle. We can help you do that. When you make a contribution through the United Way, you join thousands of others who want to ensure children and youth succeed, help families become more self sufficient, care for people in crisis, promote health and wellness, create affordable housing opportunities, and enhance the quality of life in the Eastern Panhandle. United Way is your partner in making that difference, and your contribution is an immeasurable investment in the community.

On behalf of those who will be helped through the United Way Campaign, we sincerely thank you. You will have the personal satisfaction of knowing that your investment does more, for more people, than any other single gift that you can give.
